

Member Safety Certification Form

Please review AmeriCorps General Provision, (C)(29), “Liability and Safety Issues” which states:

“b. Member Safety. The Grantee must institute safeguards as necessary and appropriate to ensure the safety of members. Members may not participate in projects that pose undue safety risks.”

Please sign below as certification that you will institute such safeguards as necessary and appropriate to ensure the safety of members and will not force members to participate in projects that pose undue safety risks.
