Re: Equal Justice Works MLP Fellowship

Fellowships with Legal Aid of Arkansas provide recent law graduates an opportunity to develop legal expertise and experience in public interest law while providing a valuable service to the community.

Legal Aid is seeking highly motivated and qualified candidates interested in a Medical-Legal Partnership fellowship at Arkansas Children's Hospital. The fellow could be located at the main campus in Little Rock or at the Northwest campus in Springdale.

Interested candidates should submit a resume, letter of interest, and short outline of a project proposal to Lee Richardson, Executive Director, at lrichardson@arlegalaid.org. Time is of the essence as completed applications are due to Equal Justice Works by September 20th.
