

Host Site: Southeast Louisiana Legal Services

Topic of Project: Disaster

Location: Greater New Orleans Region.

Position is a hybrid between remote and in person work.

Number of Positions Available: 3

Description of Fellow Project:

The Fellow will help achieve justice for low-income individuals and families, primarily on the Westbank of the greater New Orleans region.

The Fellows's work will prevent housing instability caused by evictions by defending the legal rights of clients through legal aid, advocacy, and community education. Additionally, they will address the housing needs of low-income individuals and families by assisting with legal assistance, advocacy, and community education with addressing habitability issues caused by natural disasters such as Hurricane Ida and/or landlord neglect.

Applicant Qualifications:

- No language requirement but fluency in Spanish and/or vietnamese is desirable.
