

Host Site: Community Legal Services of Mid-Florida, Inc.

Topic of Project: Disaster Response/Recovery

Location: Orlando OR Dayton, FL (In Person)

Description of Fellow Project:

The Equal Justice Works 2024 Summer Law Student Disaster Resilience Program Fellowship hosted by Community Legal Services of Mid-Florida, Inc. will be aimed at service minded law students who hope to assist Floridians suffering losses post disaster and will include a focus on litigation training. A strong candidate would have strong public speaking skills and must be a strong writer. The Summer Law Student Fellow would be expected to work alongside an Equal Justice Works Post-Graduate Fellow across our twelve-county services area making presentations about disaster legal services and making connections with potential clients and community partners.
